AIDIS and LINE will endeavor to accelerate the business development in this work and will continue to provide high quality content to users all over the country.

"Guardians" Overview

"Guardians" is AIDIS Inc debut game title, directed by Hisatoshi Hayakashi, Creative Director of "Brave Frontier". It is an easily accessible MMORPG with intuitive tap & swipe controls allowing players to play with anyone, anytime. All players need to do to get started is select an avatar and job. Unlike other MMORPGs which have a reputation for complicated controls, "Guardians" is simple and straightforward, players can dive right in without any instructions. Additionally, the game offers two gameplay modes to suit your preferred playstyle: World Mode, where players team up with other players to explore vast areas; and Quest Mode, where players band together to battle colossal monsters. Furthermore, there is no time-restricting stamina system! Players can enjoy themselves for as long as they like however they like!
