

Last Cloudia Releases Promotion to Celebrate 3 Million Worldwide Downloads!

[TOKYO, JAPAN – May 12, 2021] Mobile game developer and publisher AIDIS Inc. announced that their popular smartphone RPG Last Cloudia has reached over 3 million worldwide downloads from unique users. To celebrate this milestone, a special celebration promotion will be released on May 13 post-maintenance.

Through a publishing partnership with Hong Kong based publisher Boltrend Games, the traditional Chinese version of Last Cloudia was released in January 2021. In the four months since its release, a total of more than 1 million downloads were reached between the iOS, Android, and Steam PC client versions. With so many new people enjoying and playing Last Cloudia, AIDIS is sure to continue its partnership with Boltrend Games and expand upon its success with the game worldwide.
