

FOR IMMEDIATE RELEASE

Korean version of Last Cloudia Coming Soon!

Hong Kong based Boltrend Games to handle Korean region publishing

[TOKYO, JAPAN - Sep 26, 2022] AIDIS Inc. announced that a Korean-language version of its popular mobile RPG Last Cloudia will be released at a later date. The Korean version will be published by Boltrend Games, a company based in Hong Kong. Boltrend Games also handles Last Cloudia's Simplified Chinese localization.

Beta testing for the Korean version is now open to the public. Players interested in helping with beta testing should check the official website and community page linked below for more information on how to participate.

AIDIS Inc. will continue to work hard and bring Last Cloudia to even more players around the globe to enjoy.
