Korean Version of Last Cloudia Released!

Japanese and English Version Players Get an In-Game Present!

[TOKYO, JAPAN – Nov 15, 2022] AIDIS Inc. announced that a Korean-language version of its popular mobile RPG Last Cloudia is now available to play from today on both Android and iOS devices. The Korean version is published by Boltrend Games, a company based in Hong Kong. Boltrend Games also handles Last Cloudia’s Traditional Chinese localization.

In celebration, Japanese and English version players will receive a special present of 500 crystals. To receive this reward, players of those versions should log in to Last Cloudia between Nov 17, post-maintenance and Dec 14, 6:59 am (PT).

Following Last Cloudia’s initial Japanese release in April 2019, English and Traditional Chinese versions released later have brought the game to players worldwide. With this release of a Korean version, Last Cloudia can now be played in 34 different countries.

AIDIS Inc. will continue to work hard and bring Last Cloudia to even more players around the globe to enjoy.
