About Code Geass: Lelouch of the Rebellion

Set in a Japan occupied by world superpower the Holy Britannian Empire, Code Geass is an anime about a Britannian boy named Lelouch who uses a special ability called a "geass" with the power to

control others to start a rebellion against his homeland.

From when it was first broadcast in 2006, Code Geass' many fascinating characters and unpredictable story were met with overwhelmingly positive reactions. The subsequent Code Geass: Lelouch of the Rebellion R2, which was broadcast in 2008, depicts the fierce life story of the series' protagonist Lelouch and brings the series to a magnificent conclusion.

Code Geass' popularity has grown to the point that it has been called one of the representative anime works of the 2000s, and it continues to be passionately supported by its fans. For the 10th anniversary of Code Geass' broadcasting, a three-part theatrical compilation film was released from 2017 to 2018, and in February 2019, a completely new sequel film, Code Geass: Lelouch of the Re;surrection, was released.
