

FOR IMMEDIATE RELEASE

Last Cloudia x Street Fighter Collaboration Event Announced!

[TOKYO, JAPAN - Jan 18, 2024] AIDIS Inc. announced that from Jan 25, its popular mobile RPG Last Cloudia will host a collaboration event with the megahit fighting game Street Fighter. From Jan 18 until the start of the event, players can get items each day from an in-game collab countdown login bonus. Last Cloudia's social media accounts will also celebrate the collab with a special video where Last Cloudia characters reenact the opening sequence of the arcade game Super Street Fighter IIX : Grand Master Challenge.

Then, on Jan 22, AIDIS Inc. will host an official livestream. Planned announcements for the livestream include further details about the event, such as characters and arks to be released, as well as the amazing promotions that will run during the event.

Fans of Last Cloudia and Street Fighter will surely want to check out these exciting promotions.

The opening video can be viewed here:

Livestream date and time:

Jan 22, 2024, 7 pm (PT)

Livestream URL:

<https://www.youtube.com/watch?v=oimMKgmUp24>

Hosts:

Kit (PR Guy/ Localization Lead), Lemi Duncan (Sevia's English Voice Actress)

About the Street Fighter Series

The first game in the Street Fighter series was released in arcades in 1987. In 1991, Street Fighter II received much praise thanks to its innovative match system, becoming a huge hit. Since then, the series has recorded sales of more than 50 million copies (as of June 2023) in the 35 years since its first release, and continues to be a worldwide best seller. In recent years, it has also gained a presence as a leader in the competitive fighting game genre of esports. The latest in the series, Street Fighter 6 (released on June 2, 2023) has already sold more than 2 million copies worldwide.

About Street Fighter 6

Street Fighter 6, released on June 2, 2023, is the latest entry in the world-class Japanese-developed fighting game series. In addition to well-known fan favorites such as Ryu and Chun-Li, a variety of new and interesting fighters have joined the mix. While the game includes the advances in multiple battle elements that traditional fighting game fans want, it also offers new modes like World Tour and Battle Hub and an easier-to-use modern control type, all of which are aimed more towards beginners and gamers who feel that fighting games are difficult.
