About *Visions of Mana*

Visions of Mana is a brand-new title in this series revolving around the sacred sword and mana. The protagonist Val and his childhood friend Hinna, the newly appointed Alm of Fire, set off on a journey to the Mana Tree.

This game’s iconic vibrant and vast semi-open field contains adorable yet ferocious monsters, allowing you to enjoy swift three-dimensional battles using the power of the Elementals.

Through adventures with friends met along the way, they start to see the truth about the world. Must we accept our fates?

A new “Mana” tale begins here as a classic fantasy series returns to its roots.
